COPIC is endorsed by
Every effort has been made to obtain and print correct information in this directory. The Northern Colorado Medical Society bears no responsibility for inadvertent errors or classifications. Acceptance of advertising in this directory in no way constitutes professional approval or endorsements of products or services advertised.

Copies are available free of charge throughout the community. Visit www.nocomedsoc.org for details and click on the Physician Locator for an electronic listing of member physicians. Additional copies of this directory are available through the Northern Colorado Medical Society. There is a $5 charge if mailed.
Established in 1903, the Northern Colorado Medical Society (NCMS) provides a forum for the discussion of social, scientific and legislative concerns affecting the health of local physicians and residents. We advocate on behalf of physician members and work to promote better health in northern Colorado. The Larimer County Medical Society and the Weld County Medical Society merged in 2014 to form the Northern Colorado Medical Society to better serve our region.

The mission of NCMS is to advocate on behalf of our physician members, to encourage a strong and healthy medical profession, and to improve the health and wellbeing of all people in our community.

Physician Locator on our Website
We help you find the right physician through referral and provide information about a physician’s primary specialty, medical training and experience. Search the Physician Locator database on our website at www.nocomedsoc.org for help in finding local physicians. We promote quality patient outcomes.

Working Toward a Healthy Future
We provide educational opportunities for physician members, actively working to ensure that social trends and their impact on the health of the community are assimilated into best practices. We participate in community initiatives that address health issues and serve on coalitions promoting better health in the community.

Providing Community Services on our Website
Our directory provides a useful community service. Our website features local medical news stories, reports on our events, and provides links to other local, state and national health organizations. For more information, visit www.nocomedsoc.org.
**NCMS Leaders**

**Donna Sullivan, MD, NCMS President,** is a family physician and faculty member of the Fort Collins Family Medicine Residency Program, teaching physicians-in-training the skills they need to have in their future medical careers. She is also an assistant clinical professor of the University of Colorado Department of Family Medicine.

**Jan Gillespie Wagner, MD, NCMS Secretary-Treasurer,** is a board certified anesthesiologist and pain management specialist. She is the owner and president of CPS Healthcare Solutions, LLC, a medical billing service and practice management company.

**Cory D. Carroll, MD, NCMS Immediate Past President,** is a solo family physician at Foothills Family Care, LLC where he practices full-spectrum family medicine with a strong emphasis on prevention of chronic disease. Before his career in medicine, he was an officer and research engineer in the United States Air Force working in the AF Aerospace Medical Research Laboratory.

**Maria Medina, EdD,** is the executive director of the Northern Colorado Medical Society. She received her Masters of Arts, specializing in Post Secondary Education, in 2009 and her Doctorate of Education, specializing in Adult Education, in 2015.

Medical Specialties cont.

**OPHTHALMOLOGY**
The area of medicine specializing in the diagnosis and treatment of diseases of the eye and the study of the physiology, anatomy and pathology of the eye.

**ORTHOPAEDICS/ORTHOPAEDIC SURGERY**
The area of medicine specializing in the diagnosis, prevention and correction of disorders of the locomotor system of the body, including the skeleton, muscles, joints and related tissues.

**OTORHINOLARYNGOLOGY**
The area of medicine specializing in the study of ear, nose and throat conditions (ENT).

**PATHOLOGY**
The study and diagnosis of disease through examination of organs, tissues, cells and bodily fluids.

**PEDIATRICS**
The area of medicine specializing in the development and care of infants and children and in the treatment of their diseases.

**PHYSICAL MEDICINE & REHAB**
The branch of medicine dealing with functional restoration of a person affected by physical disability.

**PLASTIC SURGERY**
The area of medicine specializing in the alteration, replacement or restoration of visible parts of the body, performed to correct a structural or cosmetic defect.

**PSYCHIATRY**
The area of medicine that studies, prevents and treats mental disorders.

**PULMONOLOGY**
The area of medicine that deals with diseases of the lungs and the respiratory tract.

**RADIATION ONCOLOGY**
The area of medicine concerned with using ionizing radiation as part of cancer treatment to control or kill malignant cells.

**RADIOLOGY**
The area of medicine concerned with radioactive substances and, using various techniques of visualization, with the diagnosis and treatment of disease using any of the various sources of radiant energy.

**RHEUMATOLOGY**
The area of medicine devoted to diagnosis and therapy of clinical problems involving joints, soft tissues, autoimmune diseases, vasculitis and heritable connective tissue disorders.

**UROLOGY**
The area of medicine concerned with the study of the anatomy and physiology, disorders and care of the urinary tract in men and women and of the male genital tract.
