Seminar agenda

5:30-6 p.m. Networking
6-7 p.m. Recognizing acute coronary syndromes (ACS)
Emily Hass, MD
Interventional Cardiologist

Course objectives

At the conclusion of this presentation, the participant should be able to:

1. Define the pathophysiology and presentation of ACS.
2. Describe current subtypes of ACS.
3. Explain the appropriate initial treatment algorithm for different subtypes of ACS.

**Please RSVP to LeAnne Collins at 970.214.0574 or LeAnne.Collins@uchealth.org.
This program is free, but registration is required. Refreshments will be provided.**

If you're unable to attend and would like to view the presentation remotely, either during or after the event, please go to goo.gl/2qv26U.

Continuing medical education

UCHealth Northern Colorado is accredited by the Colorado Medical Society to provide continuing medical education for physicians.

UCHealth Northern Colorado designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Dr. Emily Hass and all others in control of the content of this activity have reported no relevant financial relationships that create a conflict of interest for CME purposes.
